

# Norton Pre-School

## Parents Rota

We always value extra help and welcome parents to stay with their children during part or all of the session. However due to an increasing amount of working parents/carers who are unable to commit to a parent's rota our setting does not have a designated parent's rota.

If you would like to stay with your child at a session you are very welcome, please remember to sign in the visitor's book when staying at the Pre-School.

If you would like to plan to come and help at a session please speak to the Playleader to arrange this.

Helping at the session enables parents to see what the day-to-day life of the setting is like and to join in helping the children to get the best out of their activities.
